in the Holy Land

Your word is a lamp to my feet
and a light to my path.

Psalm 119:105

Dear Partners,

I had made a promise to the Lord before I started my official ministry in 1977, when I said, "Lord I will go where you want me to go and say what you want me to say." Today, 36 years later, I have to give the Lord praise that He has upheld me to keep this promise. He did so as I have kept His word as a lamp to my feet and a light to my path.

It has always been our mission to bring the knowledge of the word of God to the children that we come in touch with, whether through the **Home of New Life** care programs or the different children programs at **Ramallah and Ramla Local Churches**. The more we serve the more it is impressed upon our hearts that the word of God is what changes lives. It is what the Holy Spirit uses to convict us and to bring us into the family of God.

The children at the **Home of New Life** are done with school this month. They have been studying hard to get good grades. We have two tutors who have been coming to help them, since many of them need extra help to catch up to the level of their class mates because of the tough household circumstances that mark their life. Please continue to pray for them as they are ready to start their summer vacation. *Pray as they attend the summer camps, or as they are away with their families, that they remember the word of God that has been planted in their hearts, and that they would hide that word in their hearts so that the enemy would have no way to come and steal it away.*

Continue to remember us in your prayers. Much activities are to be added during the summer months from the children's summer camp to revival meetings to conferences.

Thank you for providing monthly support as we do have nagging financial needs to meet our monthly budgets. You are the reason we can continue reaching the people of this land and to plant the word of God in their hearts.

Because He lives,
