**And whatever you do, in word or deed,
do everything in the name of the Lord Jesus,
giving thanks to God the Father through him..**

Colossians 3: 17

Dear Partners,

Sharon and I returned to visit the city of Gaza this month, bringing the good news of God's comfort and love to many thirsty souls who attended the Gaza church service. A number of people raised their hands asking to receive Jesus Christ as their personal savior. The rest of the attendees stood up declaring their need for the Lord's helping and healing touch. We were very thankful to partner in such divine work, as we prayed with the people, gathered to partake in the Lord's Supper with the believers there, and visited many families in the area extending financial support to minister to some of their physical needs.

Please continue to pray for the people in Gaza. The living conditions there are extremely difficult and the people are in desperate need for the light of Christ. We also ask you to pray for the following children as they need sponsors.

**Nur, a girl from Gaza, was crippled
when she was shot in the spine as an
innocent bystander. She is very
smart and determined to continue
her education despite her challenges!**

Please pray for Nur and her family.

P.S. As the Christmas season approaches we would like to remind you that we have extra expenses in support of the children and the staff of the Home of New Life. Thank you!
