**He makes wars cease  
to the end of the earth**

**Psalm 46 : 9**

Dear Partner,

At a peak of persecution to the church of Christ and the believers of the first century A.D., Paul writes to younger Timothy, **“First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for all people, for kings and all who are in high positions, that we may lead a peaceful and quiet life, godly and dignified in every way. This is good, and it is pleasing in the sight of God our Savior, who desires all people to be saved and to come to the knowledge of the truth.”** (1 Timothy 2: 1-3)

As we get a fresh opportunity to reprioritize our values and goals with a beginning of a new year, there is a weighing burden on our shoulders at RCO Ministries to be intercessors in prayer for our area and our community.

We rejoice at Paul’s declaration that it is good and pleasing in the sight of God our Savior for His people to live in peace and in a dignified manner, not just when we arrive at our heavenly destination, but also here on earth. So, as we wholeheartedly resolve this year to pray, “Lord, Your Kingdom come! Your Will be done,” we confidently know that within that will is peace for God’s people on earth as it is in heaven!

The past couple of years have been a demonstration of the domain of darkness in the Middle East as well as across the globe! Wars, conflict, revolutions and terrorism continued to destroy and massacre the lives of so many and to cause so many to flee the Middle Eastern countries to the West. While many in the West have been drifting away from the Christian faith that has spoken life, hope and order into its being. We will call upon the Lord who speaks light into darkness and order into chaos to come and speak His peace and life into our coming days.

Please join us in prayers for those who are in authority in our area from all backgrounds, convictions and faiths! Christ is the only name in whom lies our salvation!

Thank you for continuing to be faithful in your support to us! May you indeed have a Happy New Year!

In Christ,  
The Kakish Family
