

# RCO Ministries

in the Holy Land

February 2015

Dear Partner,

If you are receiving this letter, it is because you have been faithfully supporting us and we want to personally extend a note of our deep gratitude to you. You have practically demonstrated your love to Christ primarily and to us secondarily as you have been sacrificially giving to this ministry. I will never forget how the Lord has rewarded one of the first families that took the decision to support us back in 1977, at a time when they were struggling financially beyond the capacity to add any more expenses to their budget. The Lord has looked upon their heart and has richly blessed their business as a result. I trust that you will be experiencing the same level of joy and enrichment, spiritually and physically, as the Lord richly rewards those who give by faith.

**I chose you and appointed you that you should go and bear fruit and that your fruit should abide.**

**John 15: 16**

Dr. Munir & Sharon Kakish

It was because of the faithfulness of many, including you, that the following has been accomplished by the power of God over the years:

- Sharon and I were able to take residence in this land and have committed to serve its people.
- Many needy children were raised and introduced to the love and knowledge of our Lord Jesus Christ.
- Many needy families received support in the name of Jesus.
- A light post has been shining for the gospel of Jesus in the heart of the West Bank through Ramallah Local Church.
- Many believers in the city of Ramla (near Ben Gurion airport) have been strengthened in their relationship with the Lord and are reaching out in their area.

Again, we hope to stress how much we appreciate you. We pray for you. Yet, we are also needy for your prayers. As any ministry that is related to the Kingdom's work, we face real challenges.

- Please pray for the Lord to continue to raise faithful equipped young leaders to carry on His work in the area.
- Pray for vision, wisdom and guidance to the local leaders.
- Pray for the faith of the believers to be strengthened as they face different trials and tests.
- Pray that 2015 would be a year to bear much fruit for the Kingdom.

In Christ with much gratitude,

*Munir Kakish*
