*For what is our hope or joy or crown of
boasting before our Lord Jesus at his coming?
Is it not you? For you are our glory and joy.*

1 Thess. 2: 19-20

Dear Partner,

As we partake in this ministry that our blessed God has privileged us with, we are experiencing the passion that the apostle Paul and many of the other apostles had toward God's flock of souls they were entrusted with. The health of the souls, minds and spirits of those who were committed to them was the only source of joy and boasting they could lean on upon standing in the presence of our holy God!

The **Home of New Life**, a ministry of **RCO Ministries**, has ministered to needy and hurting children in Palestine for over 20 years. The last few years have been remarkable for the growth of the boys we have raised.

I have just picked up the phone to hear a voice saying, "Hey dad, it's your son, David." I was a little confused at the beginning, because, even though my son's name was David, that was definitely not his voice! The voice, then, went on to elaborate, "It's me. David from Abood." What a blessing! David was indeed one of my sons whom we got to raise at the **Home of New Life** years ago. When he first came from the little village of Abood, he was so behind educationally and was not motivated at all to learn, study or to even attempt! Through the love and care of the house-parents and tutors, we were able to change him into a studious wonderful Christian student. Here he is graduating and calling me, "Dad!" What an investment!

Seeing the challenges these children have against their education, their graduation and good character are indeed a crown of boasting for us at the ministry. We don't just want to stop at that, but we ask you to please continue to pray with us for these young men to grow in the grace and knowledge of our Lord and Savior Jesus Christ. It is a dangerous time to be living in the Arab world, and these young men will be the voice of Christianity to many people. Pray for their safety, and pray for our safety as we continue to minister in the West Bank.

Thank you for your financial help and prayers which makes this work possible!

In Christ,

Munir & Sharon Kakish
