Happy New Year!

Dear partners,

We would like to share with you what God has done through our partnership during the Christmas Season of 2012.

Our children at the **Home of New Life** had a special Christmas. We bought some necessary clothing they needed such as training sets, shoes and even underwear and socks. Of course they each received a nice toy for Christmas (relatively inexpensive remote control cars were high on the list). We had a wonderful meal and a wonderful time together! Their smiles make life wonderful.

At **Ramallah and Ramla Local Churches** we had warm church family gatherings to celebrate the birth of our King through music, worship and drama. In both churches there was a dinner and a time of appreciation for the volunteers who help throughout the year. Gifts were given to all the children. Also, our church choir was once again part of the national celebration that took place at Manger Square in Bethlehem on Christmas Eve. This is a special chance to share the real message of Christmas with a multitude of visitors from different religious backgrounds.

We also extended help to many needy Christian families with a basket of food and money from the church. Some of these needy people attend our church, some do not. A special offering was gathered and sent to the Christians in Gaza who were once again bombed and have suffered property damages in addition to suffering from the lack of work / income.

Because of your prayers and financial support, we were able to present Jesus to many during the Christmas season. All of us want to tell you how much we appreciate you and wish you a Happy New Year. You are in our prayers always.

Because of His love,

Dr. Munir Kakish
