

RCO Ministries

in the Holy Land

July 2013

*Darkness as black as night
covers all the nations of the earth,
but the glory of the Lord rises and appears over you.*
Isaiah 60: 2

Dear Partners,

It is undeniable that the circumstances all around us testify to the “darkness” that rules over this earth. Here in the Middle East, nation after nation is stirred over by revolts, savagery, injustice, poverty and hopelessness. As people drift further away from the Light of this world, they roam around in hatred and evil—killing and dying for no good reasons. Living in the middle of this darkness, we at **RCO Ministries** feel so small before the grace, comfort and joy with which the Holy Spirit has been warming our hearts! We are also consumed with a passion to spread this light to those around us, so that they also might live! It is for this that we hunger and thirst.

We are blessed with you—our partners—who help us quench some of that thirst as we are trying to reach the souls around us for Christ! We are blessed with your prayers for us which help make the success of this ministry a reality, and with your financial support which sustains our physical existence in the area. We are blessed with the efforts of those of you who choose to volunteer and stand along our side as faithful soldiers for the Kingdom, investing your time and lives in rewards which are eternal and cannot be taken away from you! For all of that we wanted to say thank you very much!

We are in real need for your continued support as we have pressing needs to be met. Please also stand with us as we pray for this aching part of the world seeking the peace that can only come as Christ, the Prince of peace, gives it!
