

RCO Ministries

in the Holy Land

January 2014

We give thanks
to God always for all of you,
constantly mentioning you in our prayers.

1 Thessalonians 1:2

Dear Partners,

Happy New Year! RCO is so thankful for you partnering with us. Your prayers and financial support were blessed in the hands of our Almighty God to give us a wonderful year—a year to see people growing in the knowledge of the Lord.

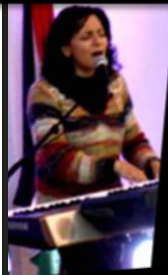

Another year to see smiles on the faces of the boys at the **Home of New Life** who are growing in confidence and joy. Their physical needs are met and they enjoy a safe, warm environment that allows them to know the Lord, work hard at their education and have a better chance at life.

Another year for many needy families and children to find hope and receive support in the name of Christ!

Another year of open doors for new outreach opportunities and new connections with other leaders in the body of Christ in the Holy Land!

Another year of the Lord's marvelous work of shaping the believers at **Ramallah & Ramla Local Churches** disciples are being made to carry the mission over to the following generation.

Because He lives,

Dr. Munir & Sharon Kakish
along with *Michael & Jackie Kakish*
and the *Board & Staff Members*
at *RCO Ministries*

**Thank you for doing your part to allow us and many more
to have a blessed year!**
