Seek the Lord while he may be found;  
call upon him while he is near....

Isaiah 55: 6

Dear Partners,

We shared with you a couple of months ago how we were desperately praying to receive the late rains! This month we get to joyfully testify that the Lord has listened and bountifully gave us the desired rains, physically as well as spiritually.

There have been many encouraging signs of the Lord working this past month. We were visited by men and women of God who came with live prophecies of the Lord's work in our area; for the breaking of a new day in Ramallah and an open heaven over His church in Ramla; a new generation that is His! How amazing! Meanwhile, numerous people have experienced divine healing and because of that their eyes were opened to the reality of our Savior's presence!

The enemy was at work too. As we see many new souls budding with life and passion for Christ, we also see a spirit of weariness and despair that is attacking older believers and impairing their vision. Others believers have witnessed unexpected accidents. There are pressures pushing those who are called to come to the country as missionaries to leave. **We want to pray against the work of the enemy.** The kingdom of God is so near, hovering above us. **We pray, "Lord Your kingdom come; Your will be done."** We make room in our hearts for His kingdom to land and dwell and reign among us!

Joanne, one of our dear girls at New Life Kids Club, smiling as she puts a prayer request into the "Golden Vessel of Prayers."

Michael with the Home of New Life boys who were having a blast at a bowling alley—a rarely afforded activity made available to them by one of our donors! Thank you!
