in the Holy Land

May 2014

Dear Partners,

At the realization of the reality contained within this teaching in Ephesians, we give God the glory as we see Him not only able, but willing to work within us according to His mighty power! April has been a busy and wonderful month! Here is some of what the Lord has been doing through us!

Now to Him who is able to do far more abundantly beyond all that we ask or think, according to the power that works within us, to Him be the glory ...

Ephesians 3: 20

400 believers Palestinian, Messianic, as well as Internationals came together to celebrate the Lordship and Resurrection of Jesus Christ in an event that was organized by the Council of Local Evangelical Churches in the Holy Land, headed by Dr. Munir Kakish. This year was extra special as a group of young adults from Ramallah Local Church joined Michael and Jackie in leading worship.

We appreciate your continued prayers and support. The Lord is hearing and blessing us through you!

We were blessed by a good attendance from the church and community members who were invited to our Easter Celebration, conducted in a nearby hotel in Ramallah. A few parents of the children at New Life Kids Club attended our church event for the first time! It was a blessing to see their children praising and proclaiming the Name of the Lord. Please pray for these children and their families. A similar program was also held at the church in Ramla, Israel and the blessing of the Holy Spirit on God's people was evident!

Because He lives,
