

RCO Ministries

in the Holy Land

June 2014

Dear Partners,

In the 36 years of my ministry in the Holy Land, I found training others, investing in people's lives to carry the good news, is what made our ministry continue. Also, it is what made others hear the Gospel and accept Jesus as their personal Savior.

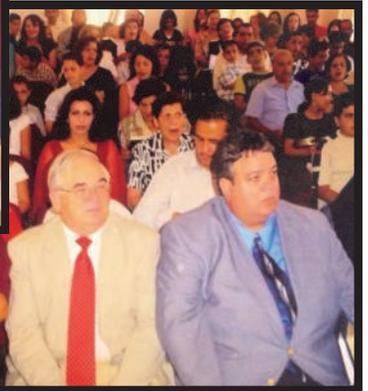

God is laying on my heart these days to continue in this direction through the local church by opening a school to teach the Bible on a continuous basis. The initial training will take up to 2 years and could be extended to 4 years. Many church leaders want to be taught the Bible in a more in depth way than in Sunday services but cannot go to Bible schools. I have found that Church leaders in my two churches in Ramla and Ramallah and in the community need and want such teaching. We have the teaching materials and we can teach it in the local language. Already a Moslem young man with a Master's Degree wanted to be taught about Jesus' teaching. We are planning to open the school in mid-August 2014.

**And the things you have heard me say
in the presence of many witnesses entrust to reliable people
who will also be qualified to teach others.**

2 Timothy 2: 2

What do we need from you?

- Pray for the school
- Pray for those who will be teaching.
- Pray for those who will direct the school
- Pray for the students.
- Pray for the Holy Spirit to empower the students.
- We need funds for such a school. We need your financial help.
We need you to send extra support for reaching out to our young people and others who want to be leaders involved in directing the local church.

We are asking God to give us \$10,000 yearly for such a project to cover all the costs and furniture. Please take this important school of the Bible seriously and get involved by praying and supporting financially.

I am so excited about this vision God has given and to pursue it. Please pray for me. We are living in an exciting time because God is taking men and women to reveal Him in a land full of dry bones, that they come alive again. God wants to breathe life into them.

Please pray with us. We would love to hear from you. Thank you for standing with us.

Because He lives,
