He is risen....

Luke 24:6

Dear Partner,

We pray you had a blessed Easter! This Easter season has surely come with a different air for those living in the Middle East. As the brutality of terrorism and the culture of death has been staring us in the face, the hope of the resurrection—life again for those who suffered abuse and murder—seems too good to be true! Yet, in Christ, that hope is real and soon to be realized! This is the kind of news we believe is worth spreading these days!

### A Personal Note of Praise!

I have been sharing with you recently how I got the opportunity to teach Expository Preaching at the Israeli College of the Bible in the city of Netanya. This class, for me, has been a foretaste of the freshness of life that comes with teaching and living the Gospel. To be in one room with Jewish and Arab Pastors who, having been reconciled to God by His Son, are now completely reconciled with one another and dedicated to furthering His Kingdom in the Holy Land, has been an overwhelming thrill!

### An Ongoing Need To Share:

We believe the Lord is preparing many more souls in the Holy Land for something much greater than we can imagine. We see a small hint of that among the family of believers in Ramla (about 16 km / 10 miles away from the Ben Gurion Airport). The congregation have overgrown the facility we moved into about 8 years ago. We are looking to sell our current church hall (an old apartment that was used as a clinic) and purchase a nearby building. This is not merely meant to provide the believers for more space to attend a worship service. The facility in Ramla has and will continue to be used as an outreach to the community.

The Desired Property in Ramla

The believers have started a childcare project that has been booming. Due to the limited space, they have to turn away children. As you can imagine, land and property costs in Israel are very high. The building we are looking to move into is for sale for about \$500,000. We can sell our current property for \$200,000, which will leave us with \$300,000 more to cover. You are invited to participate in a work of eternal worth! You have been faithfully investing with us this far, and the Lord has decided to multiply your resources and extend the work of His Holy Spirit in that town. This is a unique opportunity to take part in nurturing a ministry of GREAT POTENTIAL! *Please pray and see if this is something our Heavenly Father is calling you to be part of.* We will continue to share more details about this project over the next few months. If you wish to donate to this cause or receive a proposal of the project plan, please contact us via email: [info@rcoministries.org](mailto:info@rcoministries.org).
