**A Vision for Ramla Local Church in Israel**

Enlarging our tent is an exciting prospect, and we have some important news! The board of the Ramla church are committed to enlarging the “tent” in Ramla which is a city in Israel! Ramla is only ten minutes from the airport and 20 minutes to Jaffa and Tel Aviv, and there is potential to minister in these major nearby cities.

*We are looking to buy land in Ramla, Israel to house the church and expand its activities!*

Ramla church has facilities that include a small meeting room (see pictures) and a couple of Sunday School rooms. They are also operating a very successful day care licensed for up to 50 children.

**There is not enough room for regular services, Sunday School and youth programs.**

Future Site of Ramla Local Church in Israel.

We have found a property for sale as you can see in the picture! It can be rehabilitated and has enough room for parking and building an auditorium! It is a corner property in the city of Ramla and will make a beautiful church!

The cost of the building and generous land is \$500,000. The church board is willing to assume a \$250,000 mortgage. **The bank has said we will loan us \$250,000 if we raise \$250,000.**

**Time is of the essence.** Buildings like this are quickly purchased by contractors who “flip” the property and add condos. We are asking our partners to help fulfill this vision! **Please prayerfully consider participating in this wonderful project!**

**We want to thank you for participating in missions.** It is you who have made our work in the Home of New Life, Ramla Local Church and Ramallah Local church continue to change lives! God bless you!.
