

RCO Ministries

in the Holy Land

July 2015

Dear Partner,

My heart filled with joy and happiness as I visited needy children who want to live in the Home of New Life due to the dire conditions of the homes and families. I had tears of joy as one child told me he had been asking about a Christian home to help him in his life.

Each child has a desperate need. You and RCO Ministries will provide for the new children along with the ones who are in the home now. You will help them grow in their spiritual lives, educational progress, and physically. God helped us mightily in the past in raising so many of them.

We need your prayers and financial support to be able to meet their needs. As you see their pictures, please pray for them and us as we raise these, our beautiful children, who need to be able to live their lives as normal children.

We need you to pray about our other ministries in the Holy Land. Ramallah Local Church just finished our 3 1/2 weeks of summer camp. Lives were changed.

Ramla Church is getting ready for their summer conference and summer camp.

Pray for the month of August. August is the month we are very busy with repairs, maintenance, and improvements. We need to change several broken doors, do painting, change all the old roof gutters, and school tuition comes up. We are in desperate need of about \$20,000 to meet our maintenance work on the church building and parsonage in addition to the regular expenses.

Pray with us that God's people will respond. Thank you for your prayers and financial support.

In Christ,
The Kakish Family

Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world.
