

RCO Ministries

in the Holy Land

June 2015

Dear Partner,

It is time for summer camp! This year summer camp is from June 8th to the 30th, a little over three weeks! We always run out of room and wish we could take more children. (*Please pray for our building programs*). This year we already have 80 children registered and are still getting calls daily for us to take more, but our facilities in the West Bank can not handle much more.

The children love our camp. This year's theme is Jesus is my Hero and all the children will be wearing the "Super Hero" type shirts while learning Bible stories and verses and doing craft. The children learn so much of Jesus and of His Salvation. This is what your prayers and funds do in the Holy Land. Thank you for partnering with us.

Here are some pictures of past camps.

In Christ,
The Kakish Family
